Dear Total Health Care Patients,

It is with mixed emotions that I announce a career transition and will be leaving Total Health Care. Caring for you, has been the most rewarding part of my nearly 14 year career here at Total Health Care.

I have come to know many of my patients and their families as friends and it has been an honor to provide medical care to you all. I am pleased to leave you in the good hands of Dr. Emily Carper and I am confident she will deliver to you the quality of care that I have been able to provide over the years.

It has been an extremely rewarding experience to help Total Health Care continue to grow into the health center it is today, one that values its patients and prioritizes care of our community. I want to specifically thank the staff at our Division Health Center for their support over the years.

I will be relocating to be closer to family in New Jersey but will never forget my time spent with you and your family in Maryland. I am so grateful for the years and experience here at Total Health Care. Thank you for welcoming me into your lives with open arms. I wish you good health and happiness in the future.

Sincerely,

Dr. Christine Fleurimond
