

TOTAL HEALTH CARE

HEALTH ACCESS SERVICES

Total Health Care, Inc. is partnering with Anne Arundel Public Schools and the Anne Arundel Department of Health, to provide access to school-linked healthcare. Together we bridge education and health to address the needs of both students and families. The partnership is designed to improve children's preventative health through increased access to wellness services and connect families to accessible affordable healthcare.

Who is eligible?

Any enrolled student who changes their primary care to Total Health Care can be seen by a Total Health Care Provider. Parent/Guardians must complete the **School-Linked Telehealth Services & Financial Responsibility Consent Form** to participate.

All enrolled students will have access to the school nurse.

Anyone can become a THC patient. THC provides care to anyone regardless of ability to pay. Insurance eligibility assistance and sliding scale fees are available.

What services are available?

- Treatment for minor illnesses and injuries
- Follow-up for chronic conditions like asthma, ADHD, and diabetes
- Prescription medication (delivery to home, picked up at a Total Health Care pharmacy or pick up from a preferred pharmacy)
- Connections to health resources like obtaining health insurance or finding a specialist

Is there a cost?

Your insurance will be billed for any visits with a Total Health Care Provider.

Students who have Free and Reduced Lunch approval will automatically receive the Total Health Care Sliding Scale Fee Discount

If you do not have insurance, you may still qualify for a Sliding Scale Fee Discount. A Sliding Scale Fee Discount is based on your income and family size.

Total Health Care may also be able to assist families with obtaining health insurance

How does the program work?

Families complete a **School-Linked Telehealth Services & Financial Responsibility Consent Form** to become Total Health Care patients. As needed, students will receive pediatric care services during the school day through a telehealth appointment.

Telehealth appointments take place within the school nurse suite via video with a Total Health Care Provider. If available, Parents/Guardians can join the tele health video appointment.

Parents/Guardians will receive a post visit summary.

As Total Health Care patients, students will have access to all of Total Health Care services and locations.

Can other family members join the program?

The school-linked health services program is for enrolled students only. However anyone can receive health services at any Total Health Care location. Total Health Care services everyone regardless of ability to pay.

Total Health Care accepts most Medicaid and Medicare coverage plans, and offers Sliding Scale Fee Discount if insurance coverage is not available.
